

Through a year-round grant competition, the Ministry of Education (MOE) is sourcing proposals for innovations that address development challenges and improve lives. MOE will provide funding for those innovations that demonstrate evidence of impact.

Your class has been asked to participate in the above MOE venture. Based on your skill area, prepare a proposal using the KSTVET format. The proposal should be **at least 15 pages**.

**Deadline of submission is 23<sup>rd</sup> February 2024.**
